Dear Downtown Businesses:

The 2019 TrailGuide promotion is currently underway (media kit attached)! TrailGuide helps Brunswick businesses reach core biking and hiking communities across the state, and is the only book stocked in every visitor center along the GAP trail and C&O Canal Towpath (reaching up to four states).

Brunswick Main Street is once again offering monetary assistance to the businesses in our Main Street district that place an ad in this year's Brunswick section of TrailGuide. We are very pleased this year to be able to continue to offer support of 50% of your cost, thanks in part to the Main Street Cooperative Fund program extended to us through the Tourism Council of Frederick County.

Brunswick Main Street will also be adding our own ad with 2019 events, etc. Brunswick Main Street receives a special rate for our district businesses and they are as follows:

Brunswick Main Street thanks you for your previous support and looks forward to including you in the 2019 TrailGuide edition!
